

Weatherization Estimator Position Available in Winchester, VA area

Community Housing Partners is seeking a Weatherization Estimator to perform energy audits and recommend energy improvements based on cost effectiveness and payback using the Virginia Weatherization Installation Standards.

Duties will include:

- Identify air leakage using a blower door, pressure pans, and digital manometer.
- Collect & report data from energy assessments using appropriate audit software.
- Record insulation levels, u-values, r-values, perform advanced heating system diagnostic testing, and prepare reports on heating & duct system repair needs.
- Prepare materials and labor estimates using approved computer software, based on on-site assessments and Virginia Weatherization Installation Standards.

The successful candidate will possess:

- High School Diploma or GED
- Valid Virginia Drivers License
- Minimum 2 years experience in the Weatherization Assistance Program preferred
- BPI Building Analyst or Heating Specialist Certifications preferred
- Knowledge of residential construction, heating and cooling systems, and Weatherization materials, components, and procedures
- Good math and oral/written communication skills

This is a full-time position with excellent benefits. To apply, stop by 1329 Fishpaw Rd in Berryville to fill out an application, or email your resume to

mmcmillen@chpc2.org.

Community Housing Partners is an Equal Opportunity Employer, seeking applicants who will bring diverse viewpoints, experience, talents, and culture to promote our organization's mission of creating affordable, sustainable housing opportunities.
